

憲法を守り人間を尊重する

平和都市宣言

私たちは、憲法で戦争を放棄し、世界の恒久平和の実現に貢献することを誓っています。

しかしながら、世界各地では武力紛争が絶えず、近年の核兵器の発達は核戦争の起きる危険性を高め、人類の平和と生存に深刻な脅威を与えています。

国際社会の新たな秩序と安定が求められている今日、平和のうちに生存する権利並びに人間としての尊厳及び幸福追求の権利が尊重されることが全人類の切実な願いになっています。

ここに、摂津市は国内外の平和を愛する人たちとともに豊かで明るく住みよい社会の建設を積極的に推し進めることを決意し、憲法を守り人間を尊重する平和都市になることを宣言します。

A DECLARATION FOR THE BUILDING OF A PEACEFUL CITY IN WHICH THE CONSTITUTION IS OBSERVED AND HUMAN BEINGS ARE RESPECTED

We Japanese pledge in our Constitution that we forever renounce war and contribute to the realization of lasting peace in the world.

However, with armed conflicts breaking out repeatedly in many parts of the world, the steady development of unclear weapons in recent years has increased the danger of a unclear holocaust, posing a serious threat to peace and human survival.

At a time when a new order and stability in international society are sought more strongly than ever before, it is the earnest hope of all mankind that their right to live in peace and pursue human dignity and happiness is fully respected.

Determined to vigorously pursue our undertaking to create a lively, affluent and comfortable society in cooperation with all peace-loving people in and outside Japan, we of Settsu City hereby declare that we will build a peaceful city in which our Constitution is faithfully observed and human beings are respected as such.
